Great.

I was thankfully dismissed from jury duty today. I will send an updated invite for Wednesday from 1-3pm which also looks good on enforcement's calendar.

Thanks for your flexibility. I'm sorry again about the jury duty inconvenience.

Hi Emmanuelle,

I would ask that we hold the call when all parties are available. There is a lot to discuss, you and I have yet to catch up on the HAMP since the government shutdown, Alex should be a participant as she assisted the Villages in their compliance response to EPA, and I'd like to have all of us on the phone at one time.

IHS is available Monday afternoon, Tuesday, and Wednesday from noon to 3:00 p.m. Pacific Time. Please advise if you and enforcement have availability during those time slots. I have copied Roberto so that he can copy other members of his enforcement team.

**Subject:** jury duty Monday

Hello All,

It looks like my juror group has been called for Monday morning directly conflicting with our HAMP, etc. call.

I would request that you go ahead with the HAMP portion of the meeting with EPA enforcement (Roberto, Hillary, Christina and Janet (counsel)). I think they are eager to get an update and see if there are any measures to include in the compliance plans that will assist IHS.

If possible (ie. I haven't been called into court yet but am instead sitting in that large jury waiting room), I will try to call in. It's highly unlikely though so you should plan for me not to be there.

Please use the call in # and participant code below to call in. I believe we are now on the same time zone, so 10 am for everybody.

Call in: 415-947-8200

Conference# 415-972-9116

Participant code: 417220

Once I know my juror fate, I will reschedule a call for the rest of the agenda (ie. Lower Moencopi, DWTSa projects and any follow-up on the HAMP).

Thanks for your understanding,

Emmanuelle
